Message From the President

The 2021 NMDC Annual Miniature Round-Up in Columbus, Indiana has come and gone. I want to thank the board for their hard work in overcoming many obstacles, late deadlines, cancellations, and rumors of parvo. A special thank you to Laura Abbott-Licht and Shelly Baldwin for compiling all the awards and certificates that did not get awarded in the last couple of years due to COVID and the cancellation of 2020 NMDC Specialty. Your board has been working very hard during this period but without your support, suggestions, and participation it makes it very difficult. If you, as a member of NMDC, encounter a potential problem, I highly encourage you to become part of the solution not part of the problem. Our board is always open to suggestions and volunteers. Our meetings are all open meetings, and you are more than welcome to attend.

The NMDC Digest is one of the cheapest ways to advertise your champions, wins, litters or even articles of interest to the dachshund community. We encourage our membership to take advantage of this and participate, advertise, and share information of particular interest to the miniature dachshund fancy. I see lots of things being share on the internet that could/should be shared.

I am a firm believer in the mission of the National Miniature Dachshund Club and encourage all of you to keep it alive and active for those that follow. With that being said, I am turning the Presidency over to Laura Abbott-Licht and ask you to give her your full support. I also ask that you become a working/supportive member and not just an observer.

Message

from the President

Laura A Licht

Hi y'all!

By now you may have heard that our Officers and Board have had a shift in positions. I am sad that one of us felt the need to move on, but we wish him the best wherever his path might lead. We must move forward too, and are excited about what we have in store for the membership.

First, you should have already received emails listing the NMDC Award winners from the last three years (if not, please check your spam folder or contact Membership Chairman Terry Carr-Hall to confirm your email is correct). They will also be listed on our website www.nmcdachshund.org, our Facebook fan page, and in this Digest issue, giving our winners the recognition they deserve.

Second, we are making big plans to celebrate our 45th show next year. We are planning to go back to Purina, where there will also be a Hound show and two all-breed shows. This is where you come in! Look for an email asking for judge selections for all four shows. Respond promptly. Keep in mind that Three Rivers Kennel Club has requested we suggest those who can

judge at least two Groups.

There will be many times we will ask for your input. Look for polls and voting opportunities. We will send emails with a link to submit your answers, votes, or suggestions. Please take advantage of it. As we work to make the NMDC Officers and Board more accessible, the truth is if you do not become involved we have no way of knowing your concerns. All contact info for each Officer and Director is in every Digest issue as well as on the website. Also, remember that our Board meeting before the show is always open for members and guests. If there is something you would like to address, ask to be put on the Agenda so we can make time for you.

We are bringing NMDC back to you to become involved. To become relevant to this club. To help make a difference, for our wonderful Miniature Dachshunds. That is the goal, right?

We appreciate your patience while we are restructuring, and look forward to working with you. Stay safe, respect one another, and give your Miniature Dachshunds lots of hugs.

Blessings,
Laura A Licht

In Appreciation...

WE HOPE TO SEE YOU THERE!!!

It might be the bane of every Dachshund owner: “Weiner Dog.” Where on earth did that get started? New York City.

Sort of. Around the turn of the century, a guy named Harry Stevens was entrusted to feed the immense crowds that attended New York Giants football games. The new food craze at the time was frankfurter sausages (originally called “red hots” because of the smear of hot mustard added to each one), but until Stevens got the idea to encase them in a long bread roll, they were a real mess to eat. Meanwhile, a noted sports cartoonist of the day (we’re talking around 1903 here) made a drawing portraying one of the weiners inside the roll as a Dachshund. It was cartoonist, Tad Dorgan, who actually coined the term, “hot dog.” As much as Dachshie owners

today may cringe at the moniker, the nickname backfired in a serious way. Someone asked if the term meant that there was actual dog meat in the production of the weiners and sales plummeted. The local Chamber of Commerce had to issue an official statement banning the term, “hot dog” from all advertisement. Needless to say, the ban didn’t last long, but the nickname did.
